Discussion

Topic 1

Item(s) Youth Basketball	Who	When
Youth basketball for preschool through grade 4 taking place on Saturday mornings. Jon has purchased items to keep younger kids occupied during the practices; coloring books, crayons, etc. Jon asked committee members if they would repay him for the expense of these items. All members in favor of repayment. Receipts will be submitted to town clerk's office.	Jon Dasaro	1/18/11

Topic 2

<p>dinner to raise money for both organizations. An email was sent with a list of items the Community Center is looking for Rec. Committee to seek help with. Dinner to take place at Branon's Sugarhouse on March 19th with a band, and cash bar. Possible profit would be approximately \$500 for each board. No one from the Center was available to speak about this project. Rec. members discussed their availability to assist prior to the March date, and if they should try to raise money on top of funding received from the town. Members were in agreement that they would offer help on the night of the 19th and the Community Center should collect all profits.</p>	Center	19th

Topic 4

Item(s) Newsletter	Who	When
<p>Kristen Hughes stopped in to discuss the Rec. Committee newsletter. VCRD visit brought about much conversation about the newsletter and items that community members did and did not like about it. Kristen wanted to discuss whether the Rec. Committee truly wanted to give up ownership of the newsletter. Jon Dasaro shared that the putting together of the newsletter is not an issue, but receiving articles for printing in a timely manner without badgering other committees or individuals for submissions. Discussion took place on if the newsletter for the community should be formed by the Rec. Committee and if the Town Clerk's office would be a more suitable place. Fact that the Town Clerk's office already has a full plate and who else should be responsible. Members asked if the VCRD had given suggestions regarding this question, but no information about the newsletter had been shared back with community members. Newsletter will continue to be formed by the Rec. Committee until another entity shows an interest in taking on this project.</p>	Kristen Hughes and all Rec. members	2/20/11 articles due for next issue
