

Town of Fairfield Select Board Minutes

November 10, 2014

In Attendance: Tom Howrigan, Gene Archambault, and Greg Christie
Visitors: Mike Wichrowski – Fish and Wildlife

Town Administrator: Amanda Forbes

Secretary: Melissa Manson

1. Mike Wichrowski, Fish and Wildlife came to talk about the land that the State owns on Fairfield Pond. It is considered wetland and isn't suitable for a boat launch. Can't fill it, too shallow and too small for the desired purpose. Willing to look at an exchange for other property on the pond. Do we know anyone who would be willing to lease/sell/donate a lot on the pond for a boat launch?
2. Greg made a motion to approve the minutes. Gene seconded. Discussion followed. All in favor.
3. No update on the warranty for the truck. Amanda to call.
4. No word yet on State Road standards
5. No way to charge people for parcel map online access. Ok to go ahead.
6. Ruggiano contract for Swamp Road signed by Tom.
7. AM Peisch contract signed \$10,400 this year as per agreement.
8. Wetlands permit application is complete and submitted to ANR. Expect it to take 3 months to review.
9. No progress on ancient roads.
10. New superintendent of FCSU wants to meet board. Invite to next meeting.
11. Greg made a motion to approve the warrants. Gene seconded. All in favor.
