

**Notice of Application of Wetland Individual Permit Amendment: 2013-122.01
3/2/2016**

A request for An Wetland Individual Permit Amendment, required pursuant to the provisions of Section 9 of the Vermont Wetland Rules has been received from the town of Fairfield

The town of Fairfield is requesting approval for the realignment northward of Fairfield Pond Road to allow for town beach parking on the southern side of the road. Some additional parking will be provided west of the beach in order to keep a reasonable amount of beach open for recreational use located at the northern edge of Pond Road, at the northeast corner of Fairfield Pond, and along the southern edge of Pond Road, west of and adjacent to the Town Beach, in Fairfield, VT. The proposed project will impact 666 square feet of Class II wetland and 6,846 square feet of Class II wetland buffer zone. This wetland has been designated as a significant (Class II) wetland under the Vermont Wetland Rules.

Copies of the application are available for review at the Vermont Wetlands Office in Montpelier, the Town Clerk's Office in Fairfield, the Regional Planning Commission office in Fairfield, and the Agency of Natural Resources website: <http://www.watershedmanagement.vt.gov/cfm/notices/info.cfm?id=9761> Individual Wetland Permits may only be approved if the Agency is satisfied that the applicant has demonstrated that the proposed use complies with the Vermont Wetland Rules and the proposed use will not have an undue adverse impact on the functions and values of any significant wetlands or their adjacent buffer zones. In making the determination that the applicant has met this burden, the Agency will evaluate the potential effects of the proposed use on the basis of (1) the use's direct and immediate effects on the wetland; and (2) the use's cumulative or on-going effects on the wetland.

Any person may file comments in writing by referencing Project 2013-122 through 3/16/2016 and sending them to:
